

WALTER “Watts” SUMAJIT || Available for Nationwide Work Travel

Business Intelligence Architect | Systems Integrator

watts@itsokay.us | watts@digitaldevwizard.com | ☎ +1 (716) 800 1036 , +1 (561) 693 7265

Executive Summary

This aspiration is aimed to bridge critical gaps across Business Intelligence, IT support, and systems administration-connecting smart hardware, disparate applications, and workflows into unified, actionable dashboards, eliminating silos and ERP bottlenecks-moving from a fragmented “app-fatigue” model to a single-pane-of-glass solution.

Your executive decision to hire my **core capacities and strategic innovation** will surely be reciprocated with deep commitment to produce solutions that will bridge software and hardware gaps to consistently provide seamless interoperability among your present hardware systems, digital assets and evolving workflow automation enhancements.

The kind of leadership and management, as described in the **professional experiences** below, is wholly positioned to make resolve while in high-pressure situations, delivering ad-hoc solutions while formulating the long-term, scalable enough to prevent recurrence of avoidable-known challenges.

I seek to meet your visionary leadership that aims for “One App” & “single-truth dashboard” with a “frictionless experience.”

Core Capacities & Strategic Innovation; presently practice

1. **E-Commerce & Programming:** Automate workflows, integrate Apps and databases, product research & analytics
2. **Integrated Project Management:** SDLC, SQL Schema Design, Electrical CAD, ERP configuration & implementations
3. **Engineering Measurements & Rapid Estimating:** Instrument-based site survey and automation aided estimates
4. **Electrical/Electronics (Design/Plan/Install/Maintain):** Level 1 to 7 of Open Systems Interconnection(OSI); ISP/OSP
5. **Smart Home & Building Automation:** Globally Certified **Loxone Partner**; IoT design & implementation
6. **Cybersecurity & Multi-Cloud Architecture:** Plan/Design/Implement with scalability at OSI Level 1 to 7; **Res and Corp**

Professional Experiences

1. **Chief Operating Officer || Cloud Security Architect || IT Team Head | GOITSOKAY LLC – FL || 2020 – Present**
2. **Systems Integrator for Building Automation Systems || Contract & Project-Based || 2016 – Present**
3. **Global Web Store Administrator | Digital Transformation Lead | P3 International – NY || 2012 – Present**
4. **BU Head - ICT Project Manager || Business Process Analyst || Bravo 8 Technologies – PH || 2006 – 2011**
5. **Sr. Manager, MIS || Assistant Vice President || RD Corporation – PH and Asia wide Operation| 2001 – 2007**
6. **Electronics & Network Technician || Freelance & Contract-Consulting Service – Global || 1990 – present**

Skills Stack

1. **Leadership, Management, & Hands-on:** Agile, Waterfall, Systems Design, Data Structure & Dashboard Design
2. **Cybersecurity:** Network Hardening, Vulnerability Management, Disaster Recovery, Open Systems Security
3. **Software:** Full-Stack (Python, JS, React), Linux OS, automate data collection and transport - field to head quarters
4. **Hardware:** Loxone Miniserver, Routers/Switches, FOC, Pascal PLC, Electrical Subpanels, Data Center Maintenance
5. **Networks:** Design & Implement; SD-WAN, LANWAN, Wired/Wireless/Bluetooth/NFC, VoIP, VSAT & RFID
6. **Generative Artificial Intelligence, capable to connect communications hardware to hardware and APIs to Apps**

Key Accomplishments

1. **Innovation in E-Commerce:** Pioneered drone project market entry strategy with integrated eCommerce systems.
2. **Critical Infrastructure Enablement:** Established secure communication systems for government & military clients.
3. **Nationwide System Deployment:** Led enterprise-level rollout of IT projects with satellite-based data transport
4. **Digital Transformation Leadership:** Applied MIT-certified expertise in Cloud Computing, Cybersecurity, & DevOps
5. Implement and train end-users of ERPs and various stand alone business application systems Asia wide.

Education

1. **Professional Education in Digital Transformation** – MIT, Boston, MA, USA (2019) | Grade: A+
2. **MBA, HRIS & Financial Management** – Notre Dame of Dadiangas University, Philippines (2005) | Grade: 92%
3. **BS Commerce, Computer Information Systems (CIS)** – Liceo de Cagayan University, Philippines (1996)
4. Systems Analysis & Design - UML / CoBOL & RPG Programming, AMA Computer College, 1991-1992
5. Business App Programming; Clipper, Visual Basic, FoxPro, dBase 3+, Systems Technology Institute, 1990-1991
6. **Computer Electronics Engineering Technology (CEET)** – MSU-IIT, Philippines (1988-1990)
7. Automotive Electrical / Residential Electrical - Electronics; High School Trade Skills Training - (1986-1988)

Certifications & Training; I have some evening online classes.

1. Systems Integrator using Open-System of Loxone Config Software, Applicable to Building Automation Systems
2. Certified Professional Security (CSP) – Personnel Safety, Information Security, Property Protection, & VIP Driving
3. High Availability & Disaster Recovery Solutions – Microsoft, NY; MS Dynamics Nav, MS Kuala Lumpur, Malaysia
4. Omni-Channel Strategy in E-Commerce Front-end Operations and Back-end linkages with factories and large retailers
5. Multi-Level Digital Marketing Strategies & Management
